

New Member Information

Welcome to the SaddleBrooke Ranch Lady Niners! We are happy you have joined us.

Your Mentor: You will be assigned a mentor by the New Member Committee to assist you through the process and you will be paired with her the first time you play. This will help you orient to local course rules and tips for maintaining pace of play.

You should have received an e-mail containing your Chelsea number. Let us know if you cannot locate that number.

Chelsea Sign Up: The deadline to sign up on Chelsea for Tuesday play is before noon on the Wednesday prior to play. If you forget to sign up and want to play, send an email to SBRladyniners@yahoo.com by 5:00 pm on the Friday prior. Canceling and other questions for League Day Committee should be sent to this email as well.

When you sign up you will receive emails from Chelsea about your request. The tee time in Chelsea is not your actual tee time for Tuesday League Day. You will receive an email from someone on the League Day Committee a few days prior with games instructions, tee times and scorecards. Always read emails from members of the League Day Committee, even if you are not playing this week.

Communications: In addition to communications from League Day folks, we use Team Reach for communications regarding new members, socials, shirt and hat orders and other group information. The code to join Team Reach is [2024LadyNiners](#).

League Day Payment: You will pay \$3 each week for your participation on Tuesdays, no matter if you are an annual or play card holder. The pro shop will charge your account each time you play. If you are a cash player, you need to pay the pro shop your \$3.00. Check in at least 30 minutes prior to your tee time. There will be a League Day person in the cart parking area assisting players to find each other and get off in a timely fashion.

Keeping Score: Most weeks we have a “game” for the day. Each threesome/foursome will keep score on the paper scorecard as well as entering in scores to Golf Genius. All players in the group will sign the card. The score card is to be deposited in the SBR Lady Niners box that is usually at the front desk in the Hacienda on Tuesdays.

Posting Scores: On Tuesday League Day your score will be posted by the League Day Committee, unless you are told otherwise. Do not post your own score on League Day. Do post your scores on other days of play.

Chip-Ins, Birdies, and Hole-in-One: There is a book in the scorecard box to add your name to the list of players who have achieved one of these during Tuesday play. Awards and prizes will be given out at the end of the year.

Tee Box: There are three tee box choices; gold, plum gold, plum. Your mentor can help you decide if you have chosen the tee that best suits your game and facilitates a fun afternoon.

Cancellation Process: If you need to cancel before play day, send an email to the yahoo account, and notify the ladies in your group. If you have to cancel on play day, call the pro shop as well as an email to the yahoo account and the ladies in your group.

Who Will You Play with Each Week?

The pairings are created through a software program. Golf Genius will send you an email, via the League Day Committee, the weekend before Tuesday play day. Pairings are subject to change as people drop off before the day of play. You cannot request to play with a specific person. You cannot request to go out early or late.

Hopefully, this answers a few questions. We look forward to many happy Tuesdays playing golf with you.
